Christ the King — a faith community embracing our diversity as we live and learn together in Hope.

Dear Parents/Carers,

I hope all dads had a wonderful day on Sunday, and enjoyed the well-deserved acknowledgement and recognition. Thank you to those parents who came in to help with the Father's Day Stall—the Hub was a hive of activity last Friday morning.

This week our school went through the Catholic Education external review process. On Tuesday, Mary Lovelock, the reviewer, met with parents, staff and students as part of the review process. Mary sought feedback from these groups in regard to their impression and perceptions of the school and its operations. Today, staff and parents met with Mary to develop goals for the next 4 years which will guide our areas for improvement at CTK. Mary indicated there were many areas of strength at CTK and much that we have to celebrate. We have made significant improvements over the last 4 years, especially in the areas of whole school vision, learning and teaching, student wellbeing and leadership and management. I look forward to sharing with you the goals for the next four years once they have been finalised. I would like to thank the staff for their work over the last 4 years in leading this change and achieving many of the goals and targets which were set in 2014. I assure you that in these next 4 years, we will continue to keep your children at the centre of all the decisions we make and that their learning and wellbeing is heart of all we do.

A big thank you to all families for supporting the CREATE FOUNDATION today. It was wonderful to see so many children and staff dressing up and entering into the spirit of the day. Thanks to all staff and families who assisted with the day. We raised over \$450 for this wonderful cause.

A reminder that **children should be reading at home every night**, and should be reading to an adult for some of this time as well, especially children in the younger grades. I ask you to support your child's learning by encouraging them to read, listening to them read and reading with them.

Mass at Christ the King Church on a Thursday will now be celebrated at 9:15am. Each week a different class will be attending, so check the calendar to see when your child's class is attending and you're welcome to join them.

Thank you to those families who are ringing in to let us know when their **child is absent**. Could you please ring Leonie in the office before 9:15am if your child is absent.

Have a great week everyone. *Brendan*

Celebrating First Eucharist

At the supper to which all are invited, Christ gives his body and blood for the life of the world, we pray . . .

Lord Jesus Christ, give us the bread of eternal life.

Through celebrating the Eucharist, we may bear fruit in service to the world, we pray . . .

Lord Jesus Christ, give us the bread of life.

That all people may find faith and welcome at the Church's table, we pray . . .

Lord Jesus Christ, give us the bread of life.

For all who hunger for the bread of freedom, we pray . . .

Lord Jesus Christ, give us the bread of life.

DRIVING AND PARKING SAFELY AROUND OUR SCHOOL

Many parents and teachers have talked to me about the unsafe practices of parents/carers while driving and parking around our school. These behaviours resulted in a minor accident occurring recently. We were very lucky that it was only a car that was damaged, as some of these behaviours are putting our children at risk. Some things to remember:

- 1) Only park in designated areas—**DO NOT DOUBLE PARK. DO NOT PARK ON THE WRONG SIDE OF THE ROAD.**
- 2) Children should be getting out of the car on the footpath side.
- 3) **DO NOT DROP YOUR CHILDREN OFF DIRECTLY OUT THE FRONT OF THE SCHOOL. THIS IS ILLEGAL BETWEEN 8AM AND 4PM AND YOU WILL RISK GETTING A FINE.**

Please do the right thing and keep our children safe!!
