TRACIE KUNIGISKIS - PRINCIPAL

Staff Update

Christine will be on leave for the remainder of Term 4. As you are well aware it is challenging to find replacement teachers at the moment especially trained Music teachers. As a school we have decided to design a Visual Arts program for the remainder of the year. We have been able to secure regular casual relief teachers to run the program. Voices of CTK - will still run on Wednesday afternoons under the guidance of Lucy and Lana.

Wellbeing Dog in schools - TEX

I am extremely excited to share that Christ the King School has officially received Accreditation with Dogs Connect. Thank you to the wonderful support of the CTK community

"We would like to express our gratitude and congratulations for all the efforts and commitment to your wellbeing dog and school community by achieving the first year of Accreditation with Dogs Connect, well done!

Your school has submitted evidence that supports and demonstrates a sustainable approach to building authentic connections with a wellbeing dog within your community. The Dogs Connect Team has reviewed your evidence and recognises your school to be clearly aligned with the minimum level of best practice in relation to animal welfare, sustainable practice and the Dogs Connect industry leading standards."

Cafe @ CTK

There has been wonderful feedback and success with the lunch order opportunity with Caroline Chisholm Cafe.

I am in talks to secure a second day for lunch orders. I will keep you updated on any changes.
